ABOUT COMPANY

NAJEM AL ISNAD is a fast-growing outsourcing company offering comprehensive business support services to meet all your human resources needs. Specializing in Manpower Supply, Payroll Processing, and Compliance, we deliver a one-stop solution tailored for your business.

In addition to HR services, we also provide contracting solutions across all phases of construction, landscape, and infrastructure projects. Our expertise spans from high-rise buildings and residential villas to road construction, delivering quality and reliability in every project.

VISION & MISSION

Vision

To empower businesses with reliable and efficient outsourcing solutions in human resources and contracting. Through our expertise in manpower supply, payroll processing, compliance, and construction projects, we aim to be a trusted partner, driving success and value for our clients. We are committed to delivering high-quality services that meet the evolving needs of our clients with integrity, professionalism, and dedication.

Mission

To be the leading outsourcing and contracting company in the region, recognized for our excellence in human resource solutions and construction projects. We strive to set new standards in service quality, innovation, and customer satisfaction, building lasting partnerships with our clients while contributing to sustainable growth and development.

OUR SERVICES

NAJEM ALISNAD offers a comprehensive suite of outsourcing and contracting solutions designed to meet diverse business needs across various sectors. Our services are aimed at supporting businesses in achieving operational excellence, efficiency, and growth by providing skilled human resources and specialized contracting services. Our commitment to quality, reliability, and customer satisfaction ensures that we deliver outstanding results in every project we undertake. Below is an overview of our core services:

Human Resource Solutions

- **Payroll Processing & Compliance:** Our team ensures accurate and compliant payroll management, allowing businesses to focus on their core operations.
- **Flexible Contracts:** We offer customized and flexible contracting options to suit various client requirements.
- **Diverse Workforce:** Access to a multi-national talent pool, enabling clients to build diverse and dynamic teams.

Construction Services

High-Rise and Residential Buildings: Expertise in constructing high-rise buildings, residential villas, and other infrastructure projects with a focus on quality and safety.

- **Road Construction:** Comprehensive solutions for road construction projects, including planning, execution, and maintenance.
- **Industrial Construction:** We handle civil, mechanical, and electrical construction services for industrial and commercial projects.
- **Housing Project Construction:** Specialized services for large-scale housing projects, ensuring efficient and timely completion.

Maintenance and Facility Management

- **Building Maintenance:** We provide ongoing maintenance services to ensure facilities are in optimal condition, enhancing longevity and functionality.
- **Facility Setup:** Expertise in setting up temporary and permanent facilities, including camps and on-site offices for project teams.

Specialty Services

- **Cleaning Services:** Reliable and thorough cleaning services for commercial, industrial, and residential spaces.
- **Landscaping:** Design and maintenance of landscapes, enhancing the aesthetic and functional value of properties.
- **Stone Wall Design:** Skilled in crafting traditional and modern stone wall structures, blending functionality with aesthetics.

By partnering with NAJEM ALISNAD, clients gain access to a full spectrum of high-quality services tailored to their unique needs, backed by our commitment to integrity, safety, and customer satisfaction

Manpower Supply

- **Carpenters:** Skilled in all aspects of woodwork, our carpenters bring precision and craftsmanship to each project, ensuring high-quality results from structural frameworks to final finishes.
- **Steel Fixers:** Our steel fixers are experts in reinforcing concrete structures, meticulously securing steel bars and mesh for optimal strength and durability.
- **Electricians:** Certified electricians capable of handling installations, maintenance, and repairs, delivering safe and compliant electrical solutions for residential and industrial projects.
- **Plumbers:** Proficient in plumbing installations and maintenance, our plumbers ensure efficient and reliable water supply, drainage, and sanitation systems.
- **Painters:** Our painters specialize in a variety of finishes, offering quality results for both interior and exterior surfaces with attention to detail and durability.

Logistic Support

At Najem Al Isnad we offer reliable, efficient logistics services designed to streamline your business operations and ensure timely delivery. Our comprehensive solutions include freight forwarding, warehousing, distribution, and last-mile delivery, each tailored to meet your specific needs. With a commitment to excellence, we handle every aspect of the logistics process – from customs clearance to real-time tracking – so you can focus on growing your business with peace of mind. Equipped with advanced technology and a customer-centric approach, we serve a variety of industries, including retail, manufacturing, healthcare, and more, guaranteeing that your goods are stored securely and delivered punctually. Choose [Your Company Name] for logistics services that move your business forward.

HOW WE WORK

At NAJEM ALISNAD, we are committed to delivering exceptional service by following a streamlined and customer-focused approach. Our goal is to ensure that each project is executed with precision, efficiency, and adherence to the highest industry standards. Here's how we work:

1

Understanding and Planning

We start every project by understanding our client's unique needs, goals, and challenges. Our team works closely with clients to define project requirements, ensuring we are aligned with their vision from the outset. For human resources, we assess specific workforce needs, and for construction projects, we meticulously plan the scope and timelines. This initial phase establishes a solid foundation for success, creating a roadmap tailored to meet each client's objectives.

2

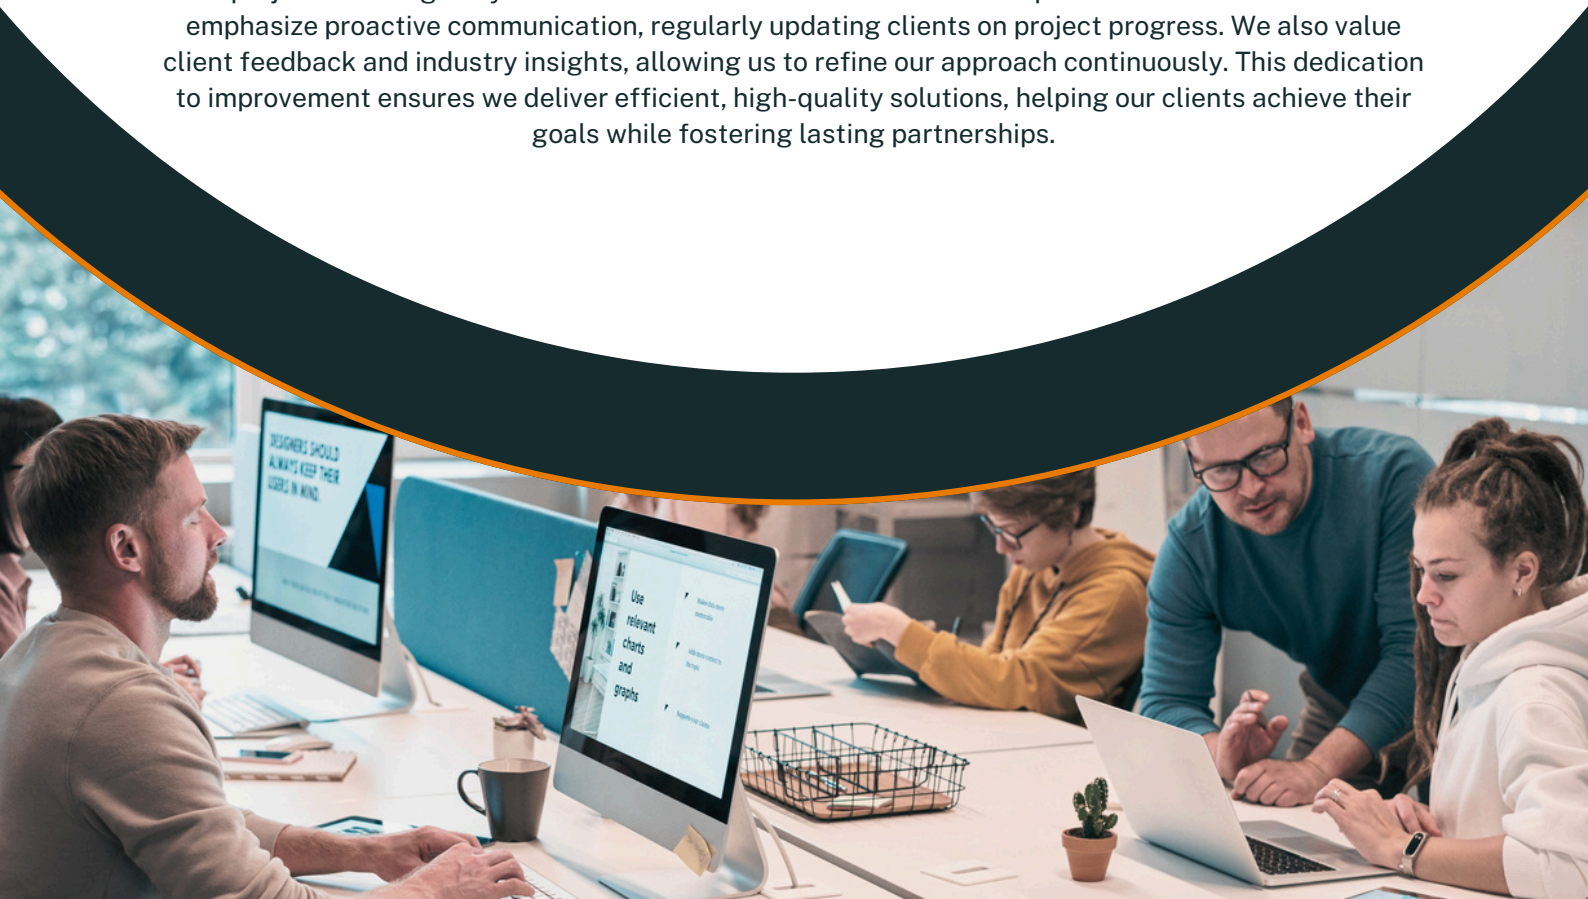

Quality, Compliance, and Safety

Quality and compliance are central to our work. We maintain stringent quality control processes, ensuring all services meet regulatory standards and client expectations. Our recruitment practices are thorough, selecting only skilled professionals who match project requirements. In addition, we are committed to a safe and healthy work environment. Our operations comply with local and international safety regulations, and we conduct regular training to uphold safety and environmental standards.

3

Execution and Continuous Improvement

Each project is managed by a dedicated team that oversees the entire process from start to finish. We emphasize proactive communication, regularly updating clients on project progress. We also value client feedback and industry insights, allowing us to refine our approach continuously. This dedication to improvement ensures we deliver efficient, high-quality solutions, helping our clients achieve their goals while fostering lasting partnerships.
